New Creations and Special Selections for 1935-36

Rare Coral Shrub

(See Page 8 for Complete Description)

HENDERSON'S

EXPERIMENTAL GARDENS

RT. 5, BOX 22 - FRESNO, CAL., U. S. A.

IN CALIFORNIA'S GARDEN OF THE SUN

New Sweet Corn "Abundance"

This new sweet corn was first offered to the public in 1930. Reports from various sections throughout the country are very enthusiastic in its praise. After selecting and inbreeding the familiar Golden Bantam sweet corn for many years, the variety "Abundance" was produced. It is fully twice as productive as its parent, bearing 14-16 rows of kernels to each ear. The kernels are unusually large, and cobs are small. It is an early variety, and can be grown successfully where other varieties fail. 25c packet; 75c per pound; 10 pound lots @ 50c per pound; 25 pounds @ 40c; 50 pounds @ 35c.

New Asparagus "Quality"

All growers are unanimous in their praise of this tender deliciously flavored, productive asparagus. By all means the finest variety ever offered to home gardeners. Pkt., 25c; ounce, 75c; pound, \$8.00.

Sensitive Plant

A very curious plant. Responds to touch by instantly folding its leaves. Lacey foliage and excellent as a ground cover. Easily grown. 25c per pkt.

TO MY FRIENDS AND PATRONS:

In presenting this catalog, I wish to thank my customers for their continued patronage, and appreciation of my efforts. You may be assured that at all times the same high quality of the past will be maintained.

LANDSCAPING DEPARTMENT

We are well equipped to handle all branches of this service. Bring or write your planting problems to us for suggestions.

TERMS

Cash with orders or in advance of shipment. U. S. Postage stamps accepted for amounts under \$1.00 only. *Prices include delivery charges prepaid anywhere in the U. S. except where noted.* No plant orders accepted for less than \$1.00. Seeds and local orders excepted.

SALES TAX

California customers please include 2½% extra for California State Sales Tax.

GUARANTEE

I exercise every care to ship only first class stock and will at all times endeavor to satisfy my customers in every way.

SEEDS

Stocks

I am offering four varieties of this fine plant. A large percentage of doubles will be found among them. Antique Copper, Golden Rose, Heatham Beauty (Rose shaded terra cotta) Beauty of Nice (delicate flesh pink). 25c pkt.

Hybrid Salpiglossis

Velvet Flowers. Our strain is the largest and finest anywhere. Large petunia-like flowers on long stems over three feet long. All rich colors heavily striped with gold. Sow seed where it is to bloom for best results. Mixed colors. 25c per pkt.

Perennial Pea

Burbank strain. This variety is not surpassed in abundance, size of flowers, length of stem, or variety of colors. 25c pkt.

New Yellow Hibiscus

Annual. Produces very large canary yellow flowers with maroon centers. Blooms five to six inches across. Very beautiful and has long blooming season. 25c per pkt.

Mexican Tulip Poppy

Perennial. Blooms from May until frost. Canary yellow tulip-shaped flowers with fluted edges. Flowers keep a week even when cut in mid-summer. Height thirty inches. 25c per pkt.

California Poppy "Scarlet Beauty"

Very effective for borders and mass effect. Blooms most of the summer. A bed of these is more effective and lasting than a bed of tulips. 25c per pkt.

New California Poppy "Ramona"

Glittering coppery gold with pink and orange shading. Frilled petals giving a semi-double appearance. Perennial when watered throughout summer. 50c per pkt.

All plants and seeds offered in this catalogue are grown under my own care and supervision.

WM. H. HENDERSON.

IN CALIFORNIA'S GARDEN OF THE SUN

W. H. HENDERSON'S GIANT ZINNIAS

(Illustrated Above)

Wonderful rich color combinations never before seen in this type of zinnias. Enormous full double flowers rivaling dahlias. This strain is unique in that no two individuals are alike in color or type. Many new types are semi-cactus, curled, crested and the new chrysanthemum-flowered type. Colors including old gold, salmon, golden yellow, orange, scarlet, dark velvet scarlet, crimson, lavender, light and deep pink, with flame centers. They represent the very highest development stage of the modern zinnia. Seed offered only in mixed colors (about 150 seeds in pkt.) 50c pkt.; \$1.25 for 3 pkts. No half-packets offered.

Burbank Tomato

Fruit crimson red; medium size with thick solid meat. It is an unusually heavy and continuous bearer. This tomato has one highly convenient quality in that the skin peels freely from the rich firm flesh. The finest tomato in quality I have ever tasted. Pkts., 20c; 3 for 50c; \$1.00 per ounce. Earliest of all tomatoes.

New Rhubarb "Giant Hybrid"

Largest stalks and leaves of any known variety. Possesses a rich berry flavor and is a great improvement over older varieties. Sweetest of all rhubarbs; requires but half the amount of sugar generally used in cooking other varieties. Stalks 1½ inch thick and 2-3 ft. long. Divisions 50c each; 12 \$3.00. Not less than 12 at this rate.

New "Crimson Giant" Chard

A cross between the sweet sugar beet and Swiss chard. The leaves are as deeply crimped and pitted as a Savoy cabbage. Nothing in the garden can be as easily raised, and no other vegetable produces such a large and continuous supply of delicious and healthful succulent food. Very beautiful and highly ornamental in the garden. Visitors to my gardens are enthusiastic in their praise of its value as an ornamental plant. It is more delicious than the best garden spinach. The leaves of this new "Crimson Giant" are of a rich dark green color, often 24 inches long and are crisp and tender. The leaf stalks are also very edible, and should be cooked with the leaves. The stalks are rich crimson in color, and average 2 feet in length. The plant reminds one of a well-grown rhubarb. The color is retained if cooked over a quick fire about twenty minutes. 50c per packet; \$2.50 an ounce. Special quotations on request to large growers for cannery purposes.

Baby Zinnias

W. H. Henderson's Hybrids. Plants low and compact rarely exceeding 2 ft. in height. Excellent for bedding purposes. Flowers are small and produced in great profusion on long stems well above foliage. Make gorgeous display in the garden. More delicate and graceful for small bouquets than other zinnias. Mixed colors only 25c pkt.

New Gypsy Zinnia

A most unusual new and distinct type of Baby Zinnia. Flowers are double and semi-double about 1 inch in diameter. Colors included are mahogany red, ruby-red, copper and crimson zoned and tipped yellow and white. Admirable for bedding purposes as plants do not exceed 15 inches in height. These new zinnias possess an entirely different range of colors and are not comparable to any other class. 50c per pkt.

New Hollyhock

W. H. Henderson's Double Apricot Shades. Large flowers up to 6 inches in diameter exquisitely blended shades of apricot orange on graceful stems 4-6 ft. long. Edges of petals lacinated and ruffled making a marvelous transformation of this popular flower. Seed 25c pkt. One year roots, \$1.50 per doz.; 25c each.

Shirley Poppy

W. H. Henderson's Art Shades. Easily grown annuals embracing many orange, salmon and light and dark pink shades. Flowers are semi-double, and contain beautiful new color combinations. Pkt., 25c.

Mexican Sunflower

A rare annual from Mexico. Many stout stems grow from the base with large leaves. The flowers are large and remind one of an immense single dazzling scarlet zinnia. Blooms for a long period and is especially desirable for planting among tall shrubs or in the background of wide borders. 25 cents per packet.

PERENNIALS

Anchusa Dropmore

Rich gentian blue flowers. One of the earliest of the spring bloomers. Plants form specimens 3 to 4 feet high. Has long blooming season. For masses of blue in a perennial border and ease of culture it is unexcelled. Strong roots that will yield flowers first season. 25c each. \$2.50 per doz.

Aubretia

Splendid rock garden and border plant with grey foliage. Plant almost covered for 3 months in early spring with violet blue and crimson flowers. Either color 25c each; \$2.00 per doz.

California Fuchsia

"Humming Bird Trumpet Flower". Foliage grey green. Height, 2½ ft. Graceful pendant flowers of scarlet resembling small fuchsia. Resistant to drought. Very beautiful for masses in front of shrubbery, 25c each; \$1.50 per doz.

Campanula

New violet blue perennial Canterbury Bell, hardy form very perennial. In bloom all summer, 36 inches high. Almost everblooming in habit, 25c each; \$2.00 per dozen.

Campanula Persicifolia

A perennial Canterbury bell. Lives for years. Blue flowers on long stems. Good cut flowers, evergreen, height 30 inches. 25c each, \$2.50 per doz. Smaller sized plants \$1.50 per 12.

CARNATIONS

(Henderson's New Hybrids)

Apricot Queen

Clear orange salmon (new) 50c each; \$3.00 per doz.

New Yellow

Clear lemon yellow. 25c each.

New White

Largest pure white grown. 25c each.

Hardy carnations for outdoor garden use, I recommend very highly the following colors: dark red, scarlet veined mahogany, flesh pink, red and white variegated in plain petals and lacinated petaled forms. 25c each; \$1.25 per doz. Not less than a dozen at this rate. The above are highly selected. Strong rooted cuttings, 50 or more at 10 cents each.

Dianthus Beatrice

A new variety of this popular flower. It has double flesh pink flowers produced in large clusters over many months. A superb new variety. Strong rooted cuttings 15c each. \$1.50 per doz.

Reinwardtia Indica

A new perennial recommended for southern exposures. In bloom continually from November until May. Flowers about 1½ inches in diameter. Pure canary yellow. Grows 30 inches high. Evergreen. A most unusual and attractive perennial. 50c each; \$3.00 per doz.

CANNAS

Burbank's "Fire Canna." One of the largest flowered cannas in existence. Constantly in bloom. Never fails to attract attention of visitors to my gardens. Finest variety for massing purposes. Enormous clusters of bright fire-red blossoms. 4 ft. high. Planted in groups of three it is admirable for lawn decoration. 25c each; 3 for 60c; 12 for \$1.50. Prices on quantities on request. I offer 3 new varieties of cannas. *Deep Gamboge Yellow* (4 ft.) 25c each; \$1.50 per doz. *Apricot Orange* (3½ ft.) 25c each; \$1.50 per doz. *Deep Scarlet-Bronze Foliage* (4 ft.) 25c each; \$1.50 per doz.

New Dwarf Bedding Zinnias (Photo Above)

After several years of selecting, I am able to offer this superb new strain of zinnias. They grow about 15 inches high and produce quantities of flowers. These flowers are unexcelled for bedding purposes. They are semi-quilled, curled and twisted forming a unique and informal flower. Color is a deep salmon-rose and copper with centers of a deeper hue. 50c per packet.

Columbine

W. H. Henderson's Hybrids. A great improvement over older types. Larger flowers and longer spurs. Colors include yellow, orange, red, rose, blue, purple, cerise, white, salmon and mauve. Seed 20c pkt.; 3 for 50c. Roots, \$1.50 per doz. All weak colors have been eliminated.

Delphinium

W. H. Henderson's Hybrids. A vigorous long lived strain. Withstands warm summers much better than other forms. Flowers are single, semi-double and double. Colors range from sky-blue to mauve pinks to deepest indigo. Selected for hardiness as well as beauty. Vigorous plants, \$1.50 per doz. March delivery. Will bloom summer and fall of first year. Seeds 50c per pkt.

Delphinium

"New True Blue", A selected hardy form of Belladonna type producing spikes 4 ft. high of a deep true blue. Magnificent new form, 50c each; \$3.00 per dozen.

Delphinium

New dwarf blue bedding variety. Producing little upright *bushes* about 18 inches high covered all summer with true azure blue flowers 50c each. Hardy Perennial.

Gerbera--Transvaal Daisies

New Hybrids. Plant in full sun or part shade. Bloom all summer. This strain was secured from the largest collection of Gerberas in the world. Colors include coral, scarlet, crimson, cream, yellow and many other combinations. Two sizes of plants; large 50c each, \$5.00 per doz.; smaller plants, 30c each, \$3.00 per doz.

Tritoma--Torch Lilies

Beautiful evergreen grass-like foliage. Stems 3-4 ft. long, producing flowers for months throughout the summer. Splendid for cutting purposes. Easily grown. Plant in groups of three for immediate effect. Plant in sun or partial shade. I offer 4 colors; Burbank's "Tower of Gold", coral, chrome, orange and yellow. 50c each; \$3.50 per 10.

Burbank's Hemerocallis "Calypso"

(Photo Above)

Day Lily flowers averaging 5 inches across and are a glorious shade of deep lemon yellow. Grows 4 ft. high. Blooms from spring to fall. Plant full sun or partial shade. Pronounced by experts to be one of the finest of all day lilies. 50c each; \$3.00 per doz.

Henderson's New "Giant Orange" Hemerocallis

Flowers are very large deep orange covered with a gold dust sheen. Flowers are of a heavy substance and petals very wide. Comparable in width of petals and size to some of the Amaryllis hybrids. \$1.50 each. Plant is 30 inches in height.

MICHAELMAS DAISIES

Charming

Soft shade of pink with yellow center. Graceful weeping branches. 4 ft. high, resembles small spirea shrub when in bloom.

Baby Blue

Henderson. When massed in front of dark green shrubbery it appears similar to a soft blue cloud. Visitors are enthusiastic over its heavenly blue color. Try the effect in your garden. You too will be greatly pleased.

Lavender Queen

Richest lavender with orange center that sets whole flower aglow. Blossoms 2 inches in diameter. All above varieties, 50c each; \$3.00 per doz.

Helianthemums

Sun Roses. Low spreading evergreens that are practically covered with dainty flowers from spring to fall. Hardy long-lived and easily grown plants. Excellent for sunny rockwork, front of borders, sides or tops of walls. I offer three colors; double red, apricot and rich orange. 35c each, 3 for 90c, \$3.00 per doz.

Plumbago Larpentae

Splendid border or rock garden plant with sparkling deep blue flowers. Bloom from May till frost. Dwarf spreading habit. Height 8-10 inches. One of the finest, hardiest and most beautiful border plants in the country. Plant in full sun for best results. 35c each, \$2.00 per doz. Perennial.

New Pyrethrum Hybrids or Painted Daisies

Produce showy flowers of all shades, except blue and yellow, on long stems. Bloom all summer. Very valuable for cutting. Double and semi-double mixed. \$1.50 per doz. Hardy perennials.

NEW CHRYSANTHEMUMS

"Gabriel's Trumpet"

(See Above Photo)

(Moore). Unusually fine single hardy garden mum. Petals tubular expanding near tip to a soft shade of Chinese scarlet from a silver buff. One of the most unusual mums ever introduced. 50c each; \$3.00 per doz.

Hardy improved pompoms and single flowered varieties for bedding and cutting purposes.

Mrs. J. Willis Martin

Crushed strawberry color. Early and very popular variety.

Margaret Waite

Finest variety for late blooming. Withstands rain, frost and hail well. Stems may be cut 24-30 inches long. Colors deep sparkling rose pink. Semi-double. Has no equal for lasting quality, cutting and possesses rich, spicy fragrance.

Ira K. Skiff

Golden bronze, large semi-double and very early. Attracts attention in any garden.

E. D. Godfrey

Very late with semi-double flesh-pink flowers produced in profusion.

Dream

New and very handsome late improved pom-pom. Very double perfect flowers bright clear rose-pink in color. Very graceful in the garden.

Indian Chief

New clear scarlet. Reverse of petals old gold. Wonderful new color combination.

25c each, \$1.50 per dozen on all above varieties of chrysanthemums.

Salvia Pitcheria

Splendid perennial. Growing 4 ft. high, blooming from August until frost and producing masses of *pure gentian blue* flowers. One of the most beautiful perennials in existence. Unsurpassed for long fall blooming season creating masses of blue for months. 50c each; \$3.00 per doz. Not less than 12 at this rate.

New Red Bellis Perennis

A new color in the English daisy. A brilliant showy rose-red. Admirable for edging material. Has blooming season of well over six months, October to May. Hardy and long lived perennial. Does not exceed 7 inches in height. 50c per doz.; \$3.50 per 100.

NAMED HIBISCUS

The following named varieties of hibiscus are offered as the most beautiful in my entire collection. Over twenty thousand hybrids have been grown and tested during a period of ten years and these are offered as the very finest.

"Radiation"

Wonderful 9 inch flowers of satin pink, striped with many lines of rose red radiating from a center of richest velvet red. Individual petals $4\frac{3}{4}$ inches broad. \$1.00 each.

"Poinsettia"

Very large 10 inch flowers of gorgeous *cerise red*, self colored variety. Prolific bloomer and one of the most brilliant ever shown. \$1.00 each.

"Mammoth White"

Eleven inch flowers *purest white* faintly striped with soft rose. The center is rich velvety red. One of the most beautiful in entire collection. \$1.50 each.

"Silver Rose"

Richest *raspberry rose* overlaid silver and striped with deeper rose. Centre of the very richest dark red. Flowers 9 to 10 inches in diameter. \$2.50 each.

"Wm. H. Henderson"

Very new and unusual color crushed raspberry red with very distinct stripes of deep red with rich dark center. Blooms are 7 inches in diameter. Individual petals $3\frac{1}{2}$ inches broad. One of the most floriferous varieties. Not one of the largest, but one of the loveliest ever produced. \$1.50 each.

"Clown"

Very difficult to describe. The blooms have the appearance of having been hand painted. Color is flesh pink over ivory white. The ends of petals are blotched claret rose for at least $\frac{1}{3}$ of their length. The latter color bleeds through the lighter zone to a deep red center. \$1.50 each.

"Fresno"

Nine inch flowers of satin pink overlaid with silver. An indescribably beautiful variety. Individual petals 4 inches broad. Possesses a Burgundy red center. \$1.00 each. The finest self colored pink ever grown.

New Evergreen Spring Flowering

PHLOX

Phlox Subulata Brittoni

Very distinct from any variety known. It forms a cushion like plant with closer growth than most subulata varieties. Abundance of white star-like flowers with darker centers formed by a ring of bright blue dots. New form 50c each, \$3.00 per doz.

Phlox Subulata Vivid

Similar to above except that it possesses a vivid satin pink flower with red centers. One of the most beautiful dwarf shrubs for rock gardens. Blooming in earliest spring almost covering itself with blossoms, 50c each; \$3.00 per 12.

Phlox Divaricata Laphami

A perennial phlox of *pure gentian blue* growing about 12 inches high. Unsurpassed as a spring flowering border plant as it blooms from May until July. No other garden flower blooming at this season shows this rare and lovely color. A remarkably hardy, easily grown and showy plant. 50c each; \$3.00 per doz. Evergreen. Smaller sized plants \$1.50 per dozen.

Henderson's Hybrid Giant Hibiscus

(See Opposite Page) ➡➡➡

Field view above. These new hibiscus can be grown anywhere; absolutely hardy. The flowers are enormous in size measuring from six to ten inches across, and when established will bloom from May to November. In winter the plants die, but the roots sprout again each spring, being perennial in nature. Healthy and vigorous and will thrive in any soil. Plant with shrubbery. Colors range from snow white through all shades of pink, red, orchid, scarlet and maroon. Mixed colors 50c each root; \$5.00 per 12. Selected colors, \$1.00 each. These grow about $3\frac{1}{2}$ to $4\frac{1}{2}$ ft. high.

Perennial Candytuft

Evergreen, excellent for border or rock gardens. Grows about 12 inches high and blooms two months in early spring. Flowers are white. An unusually beautiful, hardy and long lived plant. 25c each; \$2.00 per doz. Plant very compact, foliage glossy rich green.

Statice Latifolia

"Blue-Babies Breath". Fine perennial increasing in beauty each year. When in bloom resembles "Baby's Breath" except in color that is an exquisite sky-blue. Used very successfully in dried winter bouquets. Keeps for years. Large 2 yr. plants ready for immediate bloom. 50c each; \$3.00 per doz.

Papaver Olympia

An unusual new perennial poppy, forming a clump by underground runners. Flowers are semi-double and range in size from four to five inches in diameter and are a pleasing shade of apricot and orange. Stems are 2 to $2\frac{1}{2}$ feet long. Splendid cut flower. 25c each; \$2.00 per 12.

Anemone Japonica

Valuable for massing or as single specimens in the border. They grow rapidly, and are profuse bloomers gaining in strength and beauty each year. They bloom from July till the 1st of November. Height 2 to 3 ft. I offer the following colors: semi-double white, rose, pink and red. Admirable for cutting. These flowers are specially recommended for shaded areas where many plants will not thrive. 35c each; \$1.00 for 3 or \$2.50 per doz. An extremely hardy long lived perennial.

Henderson's Giant Hybrid Hibiscus

(Illustrated Above) see description on opposite page (6)

The Hibiscus offered were developed from a hardy longlived branch of the Hibiscus family. They are resistant to extreme cold and can be grown in the colder sections of the U. S., They require no winter protection of any kind. Only the simplest culture is needed. I can recommend them very highly for long and colorful display in the garden.

Testimonial from a satisfied customer: "*Just a line to tell you of the Hibiscus root I purchased from you this spring. To date, Sept. 1st, I have picked 215 blooms from the bush. Each bloom measured from 8-10 inches in diameter. The root was planted March 1st, 1934. Mrs. E. T. S.*"

I N C A L I F O R N I A ' S G A R D E N O F T H E S U N

SHRUBS

Malus Arnoldiana (Photo Above)

Flowering Crabapple. Shrub about 5 ft. in height. Long weeping branches resembling a Spirea Van Houttii. Flowers in masses. Buds are bright rose red opening to a light pink shade. The effect of two colors on the bush is very beautiful. This is one of the rarest of all flowering crabapples and is highly recommended. Specimens 4-5 ft. in height. \$2.00 each. Blooms first year. Prepaid. Smaller size for \$1.50 each.

Cotoneaster Cooledgei

Height 2½ ft. A sport of Pannosa with same foliage color. Leaves are smaller. Covered with scarlet berries and gives the appearance of a dwarf Pannosa. A new shrub highly recommended. Fine for rock gardens. \$1.00 each. Not prepaid.

Dwarf Pomegranate

Beautiful border plant in bloom all summer. Flowers followed by red fruits 1½ inches in diameter. Fine for planting in front of other shrubs in groups of 3 to give color. The plants do not exceed 15 inches in height. Plant 14 inches apart for hedge use. Blooming size plants 25c each, \$1.50 per doz.

Red Barberry

Foliage rich bronzy red similar to the red-leaved Japanese Maple. Foliage becomes more brilliant and gorgeous throughout summer. Covered in winter with brilliant scarlet berries that remain throughout the winter. Vigorous two year plants. 75c each. Prepaid. Grows 2½ to 3 feet high. Extra select size for \$1.00 each.

Red Oleander

Buds dark velvet red with flowers of this same color. Richest colored of all oleanders. Single blooms. Fine young trees 3 ft. high, \$1.00 each. Prepaid.

New Coral Shrub

(Illustrated in Color on Front Cover)

Handsome shrub blooming throughout the summer months. Creates a sensation when in bloom. Flowers are borne in huge panicles ranging from 2-2½ ft. long and about 8 inches across. Color is scarlet enhanced by a center zone of jet black. Grows to height of about 6 ft. Very graceful. One of the most beautiful and spectacular of all shrubs. Withstands temperatures as low as 10 degrees above zero. Strong roots sent prepaid for \$1.00; larger roots \$1.50 and \$2.00 each. An excellent plant for a tub in the eastern states.

Pentstemon (Photo Above)

Henderson's Hybrid. Evergreen perennial almost continually in bloom. Rivals petunias in production of blossoms. Makes bold clumps 18-30 inches in height. Flowers about 2 inches in diameter and resemble foxgloves. Unusually free from diseases and easily grown. Recommended as a substitute for snapdragons as it is never troubled with rust. I offer 4 varieties selected from thousands of hybrids; Scarlet Bedder, a soft rose scarlet, 15c each; \$1.50 per doz.; \$10.00 per 100. Orchid Lavender, Ruffles (shaded yellow) Each petal ruffled and edged pink, 25c each. The above varieties are grown from selected rooted cuttings. A well established bed of these will thrive for years with no special attention needed.

New Variegated Salvia

An evergreen shrub. This grows rapidly forming a bush about 18 inches high and 3 feet across. Leaves are very attractive and carry shades of scarlet, claret red, pink, cream and white. Fine for a mixed border, or a low hedge as it will stand shearing well. All visitors to my gardens are enthusiastic over it. Plants for spring delivery, 50c each. Prepaid. Very hardy.

Rosa Hugonis (See Photo Above)

Golden shrub rose of China. The long graceful branches with fern-like leaves are covered in early spring with wreaths of fragrant yellow flowers. Plant as a shrub for color effect. Grows 4-5 ft. high. Strong plants, \$1.00 each. Prepaid. Medium sized plants 75c.

Malus Eleyii (Photo Above)

A new and startling hybrid. Branchy and fast growing trees. Foliage in early spring a brilliant red that gradually turns to bronze. Reddest of all crabapples. Single dark red blooms; very prolific and produces masses of bright red fruits about the size of large cherries. Very novel and highly ornamental. Large specimen trees 6-7 ft. in height. \$2.50 each. 36-inch trees for \$1.50 each.

NOTE—The beauty and colorfulness of this tree over a long season cannot be overestimated. It produces masses of dark velvety red flowers followed by darkest red foliage that it retains until quite late in the season. It is covered for months of the fall by scarlet apples in clusters reminding one of bunches of ripe cherries.

California Evergreen Lilac

Hybrid form. A beautiful tree or large shrub that is covered throughout early spring with enormous clusters of sky-blue flowers. Clusters at times measure 14 inches in diameter, and 18 inches long. Well established in gallon cans, \$1.00 each. Very rapid grower. Not prepaid.

New Dwarf Red Lantana

Bright red in color. A selected form. The brightest red of them all. Young plants from pots for spring delivery only. 25c each; \$2.50 per 12. Prepaid. Does not exceed 28 inches in height.

Rosa Bicolor

A shrub growing 4-5 ft. high. Blooms from early spring to summer. Flowers are single 2½-3 inches across and are the richest coppery scarlet I have ever seen in any flower. A cluster of golden stamens enhances the beauty. Reverse of petals are gold. Strong plants \$1.00 each. Prepaid.

Althea (Hardy Shrub Hibiscus)

Deciduous plant growing to a height of 8 ft. and blooming from spring to mid-fall. Flowers are about 5 inches across and shaped like hibiscus. Perfectly hardy anywhere. I offer two new colors; rosy-purple and a new red with very large flowers. Large plants 30 to 36 inches high and well branched, \$1.00 each.

New Crepe Myrtle "True Red"

After testing many hundreds of hybrids over a period of many years, I offer the finest I have found. Produces clusters measuring 9 inches broad by 10 inches long of a rich rose red. A very spectacular small flowering tree. \$1.00 each.

TREES

Burbank's Prunus "Thundercloud"

Leaves are dark maroon in color, measure 6 in. long, and are held throughout the entire season. In color it is not equalled by any other tree. Bright autumn coloring from March until November. Grows about same size as an average plum tree. Very striking. 36-inch trees. \$1.00 each.

Yellow Wisteria Tree

A tree for partial shade. Flowers bright yellow and hang in long pendulous clusters resembling wisteria. Very beautiful and rare. 36-inch trees, \$1.00 each.

Red Bud (Japanese)

Handsome small tree or shrub from Japan. Grown for its showy reddish pink blossoms produced in earliest spring before the leaves appear. Very striking plant growing with little care after established. Young trees, 75c each; larger trees, 4-5 ft. \$1.00 each. Flowers much larger and more showy than our native species.

Pink Flowering Acacia

One of the most graceful of deciduous trees. Hardy as far north as Wash., D. C. The long finely cut fern-like leaves are often 2 ft. in length. Blooms most of the summer. Flowers lavender pink and form in large terminal heads. Trees grow 30 ft. Large trees, \$1.50 each.

Malus Ming Shing (Star of Heaven)

Weeping red flowering crabapple. Small tree or shrub. Color of flowers is velvet red creating a scarlet sheen when sun shines on the tree. Very Oriental in its splendor. Trees 4-5 ft. in height, \$2.00. Rare. Prepaid.

Betula Alba--White Birch

A graceful deciduous tree with light colored bark. Specimen trees 8-12 ft. high @ \$1.50 each. Not prepaid.

Rose Locust (Robinia Hispida)

(Photo Above)

Small tree growing to 15 ft. Produces a perfect mass of orchid pink clusters about 5 inches in length in early spring. These resemble Wisteria clusters. It flowers continually till July. Very striking and quite rare. Grafted trees 5-6 ft., \$2.00. Smaller trees, \$1.50 each. 3-4 ft. Prepaid.

New Spiral Willow

(See Photo Above)

An unusual new sport of the weeping willow. It possesses same graceful habit. Each leaf is curled or rolled in a fantastic fashion resembling in form a Ramshorn. Wonderful to plant near a pool for a specimen tree. \$1.00 each.

Bignonia Grandiflora *(See Above Photo)*

A very rare giant flowering trumpet vine bearing many apricot pink and orange flowers that are from 3-4 inches in diameter. Flowers are borne in immense clusters and will average over 100 to a single cluster. Quick grower. Hardy anywhere. Strong grafted plants ready from December to April 1st. In bloom all summer. Two sizes, \$1.50 and \$2.00 each. Prepaid.

Cotoneaster Parneyi

(Illustrated Above)

A beautiful new evergreen producing very large clusters of a brilliant red, comparable to a California Holly in brightness. Individual clusters 3 inches or more in diameter. Color very apparent from November till April. Foliage dark olive green. Grows 6 ft. high with graceful branches that weep with the weight of the fruit. The most attractive of all the Cotoneasters. Imported from the Royal Botanical Gardens of Scotland. Well established in gallon cans. \$1.00 each. Not prepaid.

Silver Maple

Large tree of very rapid growth. Foliage bright green and silvery on under side. More rapid grower than the sycamore. Excellent shade tree for interior valleys. Large trees, 8-10 ft. high, \$1.25 each; medium, 6-8 ft., \$1.00 each.

Tamarix

Summer blooming type. Feathery foliage. Blooms throughout the entire summer producing quantities of lilac-pink flowers resembling Lily of the Valley. Very rapidly growing tree and succeeding well with little or no care. I offer 3 sizes; large, \$1.00; medium, 75c; small (3-4 ft.) at 50c.

Gladiolus

(Above Photo Taken in Our Test Grounds)

I have been deeply interested in the improvement of gladiolus for many years. Hybridizations are made by the thousand yearly to improve this flower. I can supply any of the following colors; rose pink, deep pink, salmon, white scarlet, chamois, begonia rose, orchid, orange, yellow, shrimp pink, cream, spectrum red, apricot, cherry crimson and flesh pink. Large size bulbs at 50c per doz.; \$1.50 per 50; \$2.00 per 100.

New Crinum "Royal White"

(Illustrated Above)

The largest flowered variety ever grown. Blooms 7 inches across and produced on stems 30 inches long. The pure white petals are marked with a distinct soft rose pink stripe the entire length of the petals. Very fragrant. Individual petals are over 1 inch wide. Offsets only \$2.50 each.

Robinia Decaisiana

Showy flowering locust. Producing very long clusters about 15-18 inches in length. Beautiful rose-pink. Splendid shade tree growing very rapidly to a height of 40 ft. Grafted specimens \$1.00, \$1.50 and \$2.00 each. These are among the most beautiful of spring flowering trees. Drought resistant.

Peruvian Daffodil *(See Above Photo)*

Bulbous plant, producing for many months throughout the summer flowers resembling Amaryllis. Very sweet scented, and splendid for cutting purposes. Stems 18 inches long. Flowers are white in color, and are excellent keepers. Plant almost evergreen. 25c each; \$1.50 per dozen. Not less than 12 at this rate. Prepaid. Blooms from June to October.

Crinum "White Queen" *(See Above Photo)*

This beautiful variety was produced by crossing tropical species with an American native plant. Each plant bears many stems that carry large clusters of 25 or more flowers that are 5 inches in diameter. Very fragrant, and increase in size and beauty each season. Plant in full sun or partial shade. Large bulbs. Each \$3.00; offsets \$1.00 each. Postage prepaid. Bulbs when full grown frequently weigh from 8 to 15 pounds each.

Fragrant Gladiolus

(See Above Photo)

Nocturnally fragrant, medium sized flowers. Height 2½ feet. Exceptionally hardy. Flowers cream yellow in color. Blooms in this climate about 15th of March, fully two months before common variety, and one month earlier than the earliest Baby gladiolus. More fragrant than freesias. Blooming size bulbs 12 for \$1.00, not less than 12 at this rate; 100 for \$3.50. Write for prices on larger quantities. Prepaid.

THE NEW "FRAGRANT GLADIOLUS"
(Illustrated Above)

After 8 years of hybridizing and selection, my efforts were awarded and I am able to offer to the public the following new varieties. A new race destined to become very popular.

Fragrant Rose

Flowers 4 inches in diameter; petals blushed rose-pink on both sides over a frosted white ground. 30 inches high. Pleasing fragrance suggestive of orange blossoms, night and day. Bulbs, \$5.00 each; bulblets, \$1.00.

Fragrant Yellow

Golden yellow, blushed rose ash on backs and tips of petals. Fragrant night and day. Grows 36 inches high. Bulbs, \$5.00 each; bulblets, \$1.00 each.

Fragrant Rose Lavender

Flowers 4 inches in diameter. Fragrant only in evening; perfume fine and pleasing. Color rose-lavender marked with carmine stripes. Bulbs, \$3.50 each; bulblets, 75c.

Special Collection Offer

One of each of the above large bulbs, \$8.00. One bulblet each, \$2.00.

**HENDERSON'S NEW HYBRID BABY
GLADIOLUS**

A superb new race of gladiolus producing flowers in a new range of color combination never before seen in this flower. These colors include orchid and rose; crimson and carmine; rose-ash and yellow; and many other beautiful forms. No description is adequate for these graceful gladiolus. More graceful and easily used for table decoration than the common gladiolus. \$1.00 per doz. Mixed colors.

Red Snowberry

(or Indian Currant Shrub)

Height 4 ft. and is covered in spring with thousands of white flowers that are followed by vivid crimson red fruits that almost completely cover the branches. Very showy. I offer two sizes. 50c and \$1.00 each.

Linum Flavum

A very hardy perennial producing quantities of golden yellow flowers in terminal clusters over the entire summer. 18 inches in height and ever-green. Very showy and desirable because of its long life. 50c each; \$3.00 per 12.

Watsonias (Bugle Lilies)
(Photo Above)

A South African bulbous plant similar to a gladiolus in foliage and bloom. Flowers produced in great abundance; as many as 50 have been counted on a single spike. Does not have to be replanted each year as do gladiolus. They increase in size and beauty each year. Valuable for planting in front of shrubbery to add color to the landscape. Orders for watsonias can only be filled in August while plants are dormant. Especially valuable as cut flowers as they bloom early in April. I offer 4 varieties; rose-pink shaded with salmon, light rose-pink, pure white. These are \$1.50 per doz. (All large flowering varieties). "Lavender Queen" New largest flowered variety in my collection; beautiful sparkling rose-lavender. 50c each.

DAHLIAS
NEW VARIETIES 1935
Garden of the Sun

Enormous formal decorative. Stems rigid, pure vivid golden yellow. Rooted cuttings only \$2.00 each. Height 4 feet.

541

Perfect informal decorative 8 inches in diameter. Fire-scarlet. \$1.50 each.

"Senator Herbert W. Slater"

Chrysanthemum flowered. Lilac in color. 8 inches in diameter. \$1.50.

"Minarets"

Informal pure white 12 inches in diameter. \$3.50 each. Perfect stems.

"Henderson's Golden Glow"

Golden orange self colored. 12 inch flowers. \$1.50. Perfect stems.

609

Informal decorative with orchid-pink flowers. 12 inches in diameter. \$1.50.

"California Gold"

Pure deep golden yellow flowers. 12 inches in diameter. Largest and most perfect of this color that I have seen. \$3.50.

HENDERSON'S WHITE DAHLIA

This new variety, illustrated above, has proven itself to be the most beautiful, the most distinct in form and the most prolific bloomer of any dahlia. Most people seeing this wonderful dahlia, for the first time, are likely to confuse it with the largest of the Japanese chrysanthemums. Only upon close inspection of the foliage can it be distinguished. Sixty flowers were picked from one plant during the past season. None of the blooms were less than eight inches in diameter and frequently twelve; stems averaging three to five feet in length. Stems absolutely rigid. An excellent keeper surpassing the famous variety "Jersey Beauty" in that quality. Color is pure white, with a cream yellow center. Price \$1.00 each; three for \$2.50.

Henderson's White Dahlia
Single bloom showing form on left. Field view below showing a plant 8 months old from a rooted cutting.

Rooted cuttings are highly recommended and will give excellent blooms as quickly as tubers. At end of season bulbs will have formed for the following year's stock.

SAVING TO YOU OF.....\$4.50

"Little Jewel"

A miniature decorative of flesh pink. One of the most beautiful of all small dahlias. Highly effective for bouquets. Without doubt the most exquisite of all pink dahlias, possessing a color unique in this family. 25c each; \$2.50 per doz.

Write for special Quotations on larger quantities of dahlias. We are well equipped to give you near wholesale prices on 25 or more rooted cuttings.

(The above picture is a reproduction from a painting)

A New Introduction -- Scarlet Wisteria Tree

One of the most beautiful of all small deciduous trees from South Africa. Rarely exceeding six feet in height and in bloom practically all summer, the long weeping branches with fern-like foliage, are literally covered with drooping clusters of brilliant tango-red, pea-shaped blossoms. The clusters are similar to wisteria in shape, and average five inches in length. Very showy when in bloom. Perfectly hardy in any climate. An introduction that is both rare and beautiful. Small trees 30 to 36 inches high, \$1.50 each. Larger trees 3 to 4 feet high \$2.00 each. Larger specimens well branched \$3.00 each. All trees will bloom the first year. Prepaid. Flowers shaped like locust blooms.

NEW FRUITS

New Apple X Pear Hybrid

A very large fruited variety—half apple and half pear shaped like a large apple. Color greenish yellow with small russet spots. Ripens in Sept. and Oct. Flesh pure white, very firm and exceedingly fine in texture. Unusually delicious. Fruit solid and heavy. Practically seedless and coreless. 3-4 ft. trees, \$3.00. Grafting wood at \$1.25 per ft.

New Plum "Redwine"

An exceedingly large fruited variety possessing rich, firm red flesh. Freestone. Skin does not crack. Splendid keeper. 2-3 ft. \$1.50 each. One of the largest plums ever grown.

New Nectarine "California Gold"

A hybrid between a Muir Peach and a white Nectarine. Possesses rich yellow flesh and a flavor unequaled by any other variety of stone fruit. Has firm flesh, but very juicy. Perfectly smooth skin that is crimson blushed yellow. I recommend it as a new fruit possessing unusual qualities. Not as tart as most nectarines, but much sweeter. Fine trees, \$1.50 each. Stands shipping better than the ordinary nectarine due to the firmness of its flesh.

IN CALIFORNIA'S GARDEN OF THE SUN

New Orchid Flowering Dahlias
(Photo Above)

These are the most graceful of all dahlias for bedding purposes. Height 24-36 inches. All colors, from fawn, to vermillion and scarlet and yellow. Many spotted and tigered crimson on the reverse side of petals. The tip of each petal is rolled or quilled. Flowers are single and range from 3-5 inches across. A bed of these gives the appearance of giant columbine or lilies. Bulbs or rooted cuttings in spring 50c each, \$3.50 per doz. Fine cut flowers, as they are good keepers. Last fully as long when cut as the pompom types and possess the advantage of longer stems, hence they are easier to arrange. Destined to become very popular when better known. Prepaid.

Tuberous Begonias

I offer acclimated bulbs in the following types and colors: Camellia Flowered, white, crimson, salmon, orange, and rose. Frilled, yellow scarlet, crimson, white and rose. Single, crimson, yellow and white. Any of the above varieties \$2.00 per doz. \$6.00 per 50, \$10.00 per 100. Large size bulbs. Plant in April.

CAMELLIAS

These beautiful flowers are deserving of more attention from home gardeners. They require a position protected from extreme cold. Preferably an eastern exposure, with afternoon shade. They will repay a generous application of leaf mold or peat moss mixed well with the soil before planting. One of the prime requisites in the culture of Camellias is to remember that absolutely no cultivation or stirring of the soil should be done at any time. Camellias are among the world's most beautiful flowering evergreens. Varieties offered here are among the finest.

Dai Kagura

Large rose red double. Very fine.

Caprice

Pure white, Very large flowers.

Chandlerii

Very large flowers. Full double rose marbled white.

Rainy Sun

Large 6 inch flowers, rich rose red.

Jordan's Pride

Large 5 inch flowers. Variegated rose and white.

SPECIAL OFFER

Special Offer on the above varieties established in gallon cans, 75c each. F. O. B. Fresno.

SEEDLESS MUSCATS

Announcing New Grape Varieties

After many years of hybridization and selection, requiring the testing of thousands of hybrids my efforts to develop a seedless grape possessing the flavor of the muscat have been successful. The following varieties are distinct improvements of this old favorite. (All stock reserved for propagation).

No. 28

Medium large berries-firm-flesh-ripening 10 days earlier than Thompson's seedless. Rich muscat flavor. Bunches well set; wide shoulders; good shipper. Absolutely seedless. Clear yellow berries.

No. 23

Strong distinct muscat flavor with firm flesh. Seedless medium sized bunches. Bears 2 distinct crops. Very early, 10 days earlier than Thompson's seedless.

No. 210

Berries *very large*. Long loose bunches. Flesh firm. 1 or 2 seeds per berry. Bunches very long. Mid-season bearer. Very firm flesh. Yellowish when ripe. Very beautiful bunches.

Henderson's New Giant Shasta Hybrids

"Lacinatus"

Shasta Daisy (close view) showing petal arrangement. See photo on right showing field grown plants of this beautiful new Shasta daisy. Also see description below photo on right.

"Snow Queen"

Shasta Daisy Hybrid. Flower lovers who saw this last year were amazed at the size and abundance of bloom of this variety. Large blooms on long stems 3 feet in length. Semi-double. Individual petals very wide. 25c each, \$1.50 per dozen. A greatly improved Alaska daisy.

"Gigantea"

(Field Photo Above)

The largest flowered Shasta daisy I have ever grown. Blooms well over 6 inches in diameter produced over the entire season. Semi-double in form. Possesses great substance and the most outstanding keeper of all, when cut, keeping almost two weeks. Stems strong and erect. *Wonderful new variety.* 50c each; \$3.00 per doz.

SPECIAL COLLECTION

Special collection of above varieties one each except the new "Supreme", \$1.75 prepaid. Value purchased separately, \$2.25. 5 varieties included in collection.

The above new daisies represent many years of hybridization and selection, requiring the growing of many thousands of individuals. They are superior to any offered elsewhere and will easily replace all older varieties when they are better known.

"Lacinatus"

(Photo Above)

New Shasta Hybrid. A very beautiful new lacinated daisy. Large 4-inch flowers that carry a large number of petals, the ends of which are finely cut. Plants are vigorous, growing to 3 feet in height and bloom over a long period. Excellent cut flower. The best of its type ever grown. Divisions from original plant 50c each; \$3.00 per 12. Not less than 12 at this rate.

The new Shasta Daisy Hybrids "Lacinatus", I secured from you are fine. They are creating quite a sensation at the Inn here. Frank J. McCoy, Santa Maria Inn, Mgr., Santa Maria, Calif.

"Sun-Ray" Shasta

Flowers 5 inches in diameter. Larger than Lacinatus and of similar form except the bottom row of petals is flat. A very beautiful new form of Shasta hybrid. 50c each; \$3.00 per doz. One of my personal favorites.

Hannah Bynon

The tallest of all the *new* Shasta daisies; almost 5 feet in height. May be cut over a long season. Blooms exceedingly large and of an unusual form. 50c each; \$3.00 per dozen.

1935 Introduction

"Supreme"

New Shasta hybrid. Flowers 4 inches in diameter. Possesses 14 distinct layers of petals which, when fully developed, make the flower 3 inches in depth. It resembles a pure white zinnia. Grows to height of 30 inches. Good bloomer and excellent cut flower. 50c each.

IRIS

NEW HENDERSON ORIGINATIONS

"San Joaquin"

Six inch flower 36 to 38 inches in height. Falls velvety carmine-lake. Standards claret rose shaded buff and silver. Bright orange red beard. Very popular with all who have seen it. \$1.50 each.

"Royal Blue"

Five inch flower vivid pure royal blue falls. Standards deep rich blue. Rich and velvety in effect. Wonderfully prolific bloomer. 38 inches in height. \$1.00 each.

"Monte Cristo"

Four and one-half inch flower. 24 inches in height. Standards buff overlaid copper rose. Falls velvety Van Dyke red. Vivid orange beard. The most beautiful and unusual iris I have ever grown. \$2.50 each.

Mrs. R. S. Heaton

Falls 3 inches wide; beard bright yellow; soft mauve blue self. 36 inches in height. Flowers very large. \$1.00 each. Exceedingly fine variety.

Jessie Galbraith Morris

An improved Glowing Embers Hybrid possessing larger flowers and clearer colors. Falls are mahogany red 2 inches wide. Brown throat markings over a tan ground color. Standards clear golden tan. The beard is of richest orange yellow. Grows to height of 36 inches. \$1.50 each.

Mrs. F. E. Cook

Large flowers of orchid pink; with deeper rose markings in throat; beard rich orange; beautiful and floriferous. An improved Dream hybrid. \$1.00 each.

Freida Mohr

Extra large flowers. Orchid-pink effect. 40 inches high. 75c.

Gobelin Red

Actually blood red; wonderful color. 30 inches high. \$1.50.

San Diego

Greatly improved Gaudichau. Falls flaring 36 inches high. \$1.50.

Pluie de Or

Best golden yellow self color. 36 inches high. \$1.50.

Clara Noyes

Blend of apricot and peach tones; large flowers. 36 inches. \$3.00.

IRIS SPECIES

Louisiana Violipurpurea (Small)

Deep claret purple with gold center. Hardy in the north. 3½ ft. Plant July-October. \$1.00 each.

Louisiana Vinicolor (Small)

Deep claret purple with gold center. Hardy. 3½ ft. \$2.50 each.

Louisiana Gigantea Coeru'ea (Small)

Bright violet blue. Flowers marked with yellow center. 4 ft. Hardy. \$1.50 each.

Louisiana Fulva

Terra cotta or brick red. 36 inches in height. \$1.00 each.

The above species are among the most beautifully colored iris ever seen.

Mixed Iris

Not labeled mixed colors for massing purposes, \$4.00 per 100, F. O. B. Fresno. \$2.00 per 50.

Indian Gold

Standards light brown over soft yellow base; entire surface dusted gold; falls rich Victoria Lake red. 36 inches in height. Large flowers. Beautiful blend. \$1.50 each.

Carolyn Cory

Falls grape purple; flaring, rich yellow beard; standards rich pure blue early flowers; extremely large, 40 inches in height. \$1.00 each.

Lillian L. Rowell

Falls royal purple bordered rich delphinium blue. Standards pure bright blue. One of the most beautiful color combinations ever seen in an Iris. 36 inches in height. Floriferous. \$1.50 each.

Mrs. George Helm

Falls grape purple enhanced with bright orange beard. Standards deep lavender; flowers extremely large, 40 inches in height. Beautiful rich colors. \$1.50 each.

Fresno

Falls mineral red; standards clear yellow overlaid copper. Very floriferous; most effective in masses or clumps. \$1.00 each.

Mrs. G. Smith

Plicata hybrid; falls cream white edged blue. Standards same color as falls. Very large flowers, striking and rich. Orange beard. 30 inches in height. \$1.00 each.

Irene

Standards bright tan edged brown; falls a blood red over bronze. Very rich color effect enhanced by an orange beard; flowers large. 30 inches in height. \$1.50 each.

Venus de Milo

A white Dominion. 40 inches high. \$3.00.

Dauntless

One of the finest red iris with large flowers. 40 inches high. \$2.00.

Blue Velvet

Velvety intense dark blue. 40 inches high. \$3.50.

Nene

Flowers 9-10 inches tall. Lilac standards and reddish falls. \$2.50.

SPECIAL OFFER

Special offer on Fancy Iris. One each of the following varieties: Freida Mohr, Gobelin Red, San Diego, Peerless, Fresno, Irene for \$5.00.

New Variegated Iris (German)

A beautiful plant with foliage striped cream and white over a rich green base. Gives same effect as New Zealand Flax but is more dwarf in habit. It bears soft blue flowers of medium size on 30 inch stems. \$1.00 each.

Iris Imperator

Very beautiful clear blue variety of Dutch Iris. Flowers are very large with a bright orange centre. The most popular bulbous iris ever offered. These are much larger flowered than Spanish iris, and bloom earlier. Large bulbs 50c per dozen; \$3.00 per 100.

Stylosa

Plants are low growing; foliage long grass-like leaves. Winter bloomer. Sometimes known as Xmas Iris. Flowers deep lavender blue with orange tongue. Very fragrant. Starts blooming in September on Pacific coast. Plant early in spring. Beardless. 25c each; 60c for 3; \$2.25 for 12.

Iris Monneri
(See Above Photo)

This beautiful iris grows over 4 feet in height. The flowers are *deep golden yellow*. One of the finest cut flowers of the entire iris family. The stems are long and many leaves may be cut after the manner of gladiolus. Flowers resemble Spanish iris, but are four times their size. Beardless type. Plant in full sun or partial shade. Blooming season longer than bearded iris. Plant from August to January. 35c each; 85c for 3; \$2.00 for 12. Write for prices on larger quantities.

Iris Japonica (Drawing Above)

A beautiful orchid-like iris, imported from the Orient. Flowers medium size, white with yellow throat heavily dotted with ring of bright blue dots. Each petal is heavily fringed or lacinated. Grows to 2½ feet in height, with beautifully varnished foliage. Valuable for shady or half shady locations. Plant carries as many as 40 flowers on a single flower spike. The most orchid-like iris in flower, shape and color. Likes moisture. 50c each; 3 for \$1.00; 12 for \$3.00.

MRS GEORGE THOMAS—Red climber.....	.75
BILLY BOILER—Red climber.....	.50

10% discount off on any rose varieties chosen (your choice) if you select ten or more varieties.

Henderson's New Giant Amaryllis

These magnificent new creations produce some of the largest flowers known. They are seldom less than 6 inches in diameter, and frequently 14 inches. As easy to grow as Iris or Gladiolus. I especially recommend them as substitutes for tulips in warm climates as they increase in size and beauty each year. **IMPORTANT:** Do not confuse these Amaryllis with the familiar summer-blooming Amaryllis Belladonna on which the foliage dies in summer. These new creations have both foliage and flowers at the same time. Plant in full sun. Colors are white, beautifully marked and striped with crimson; ruby-red, light and dark shades of pink, scarlet and a dark velvet red. After the bulbs are established they will bloom several times a year. The largest crop of flowers is borne in spring, about the same time the Darwin tulips are in bloom. Unequaled for garden use in the west. *Plant any time.*

In form the flowers resemble gigantic lilies. For several years I have been hybridizing many varieties of this fine flower. The best obtainable stock has been secured from England, France and Germany, also the best of the Burbank strain, for this work. Several acres will be devoted to this experiment during this next season. A new double-flowered form is under observation and also a yellow variety. Mixed colors, large blooming size bulbs are 75c each; \$3.00 for six; \$5.00 for 12; \$30.00 for 100. Smaller bulbs, to $\frac{3}{4}$ inch, \$20.00 per 100; will bloom in 8 months. Prices on planting stock in quantity upon request. Selected colors at \$1.00 each. Medium size bulbs, \$3.00 per 12. Prepaid anywhere in the United States.
